About Us

Bansal Classes has been a pioneer in IIT-JEE preparation, setting the foundation for systematic, concept-based learning in India. Established with a mission to redefine excellence in education, Bansal Classes introduced a structured classroom methodology, consistent academic mentoring, and result-oriented guidance that influenced the entire coaching culture of Kota.

Over the years, the institute has produced legendary results in the IIT-JEE (now JEE Main & Advanced), including multiple All India Rank - 1, numerous Top 10, Top 50, and Top 100 selections, and a long legacy of students who have gone on to become successful scientists, technocrats, educators, researchers, and industry leaders across the world.

"Believe in yourself and strive for excellence with unwavering dedication. Success comes to those who persevere through challenges with a positive mindset and a thirst for knowledge"

- Shri V.K. Bansal Sir

Shri V.K. Bansal Sir

Founder Bansal Classes, Kota

Shri V. K. Bansal, an IIT-BHU alumnus and an engineer by choice, is the true testimony to the idiom “a blessing in disguise.” In the midst of a promising career, Bansal Sir found himself facing one of the rarest physical challenges — muscular dystrophy. With a vision to help students and pursue his passion for teaching, he began teaching a few students at his dining table.

Through his profound knowledge and critical thinking abilities, he slowly and steadily built a learning system focused on Highlight deeper conceptual understanding and consistent question practice, backed by regular revisions. He is the bedrock of India's coaching industry as we know it today. A true visionary, he not only transformed the lives of millions of students but also enabled future generations to develop a problem-solving mindset rooted in critical thinking.

Sameer Bansal Sir

MD & CEO, Bansal Classes Pvt. Ltd.

Mr. Sameer Bansal, is the Managing Director of Bansal Classes Pvt. Ltd., Kota. He is known for his humble nature and strong leadership, which have carried forward the legacy of the institute to new heights.

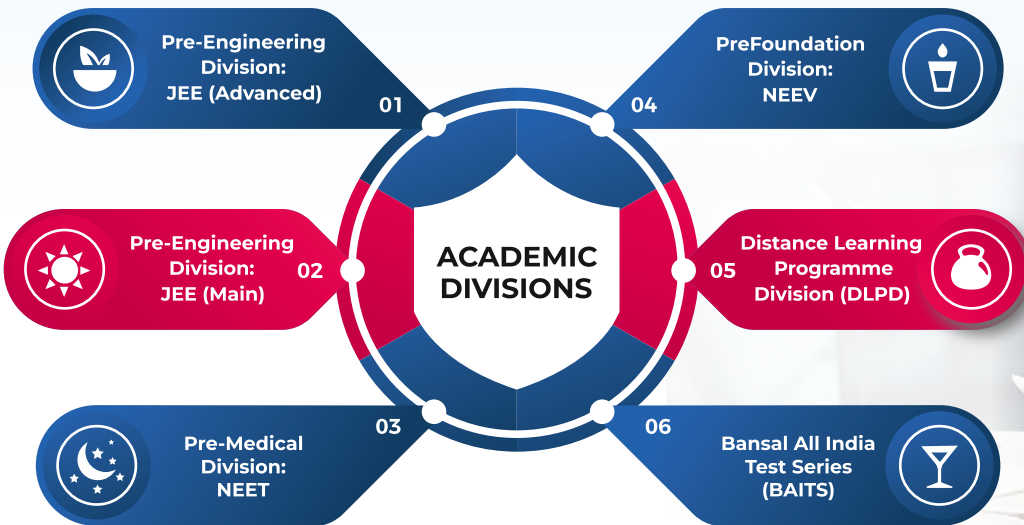

Following in the footsteps of his father, Sameer Sir is a passionate educator with the sole objective of transforming the lives of students. He is a Gold Medalist in Mathematics and has been mentoring IIT-JEE aspirants for over 23 years, with numerous success stories. His unique teaching style, conceptual clarity, and student-first approach have enabled students to secure top ranks in JEE Advanced.

Although he is an expert in the field of Mathematics, he takes a keen interest in providing quality education for medical aspirants. His continuous efforts in the field of NEET (UG) and Pre-Foundation courses are a testament to the same. He is also the author of several best-selling Mathematics books for JEE Main & Advanced.

ACADEMIC DIVISIONS & TEACHING METHODOLOGY

JEE DIVISION

Always prepared for an ever changing world of JEE

Change is constant in JEE, and that has never been more true than it is today. It's why we work diligently to provide a curriculum and learning experience that prepares our students for anything.

We focus on the individual, ensuring that you learn best in the classroom. At the same time, we make sure you gain fundamental skills that remain essential to succeed, no matter how the JEE pattern evolves. The IIT entrance test patterns, requires students to undergo two examinations: JEE Main & JEE Advanced. Admission to IITs is based on a student's performance in JEE Advanced while admission to IIITs and NITs is based on a student's performance in JEE Main. Preparation for board examinations is also taken care of in the classroom alongside JEE preparation, fulfilling the prerequisites for admission to IITs, NITs & IIITs.
